## Pirate Football Game Regulations

Parents,

I need your help at the home football games. In order to provide a safe and friendly environment for our fans the following procedures will be put in place and enforced immediately.

### General Admission Regulations:

- Elementary and middle school age students must have a parent or guardian with them to enter the stadium.
- Elementary and middle school age students will be required to sit with a parent or guardian or be in their presence during the game.
- Elementary and middle school age students will be accompanied by a parent or guardian to visit the restroom or concession stand.

### Reserved Ticket Holder Information:

- Tickets must be presented to enter the Reserved Section (hands will be stamped to indicate admission to the Reserved Section).

### Late Arrival and Re-entry Regulations:

- No one will enter the stadium after the 3<sup>rd</sup> quarter ends.
- No one will be allowed on the field after the game unless they have a Field Pass.
- No field access will be allowed at any time during the game (guests on the Visitor Side will not be allowed to walk across the field to the Home side, nor will guests from the Home side be allowed to walk across the field to the Visitor.)
- Once you leave the stadium, there will be no re-entry for any reason. When you leave the game, you leave the game.

### Additional Information:

- Running and playing in the stadium is strictly prohibited.
- For any behavior at this event that requires disciplinary action, the Appling County Student Code of Conduct will be used to determine the appropriate discipline.
- Inappropriate behavior at any ACHS event will result in removal from the event and a ban from attending all other ACHS events for the 2021-2022 school year.

Thank you for your help and support.
