Attendance Policy

Student drop off is from 7:15 – 7:50 each morning. Students are marked tardy after 7:50. To be counted present for the day, a student must be at school until 11:30. Sign outs are not allowed after 2:00, and dismissal begins at 2:30.

For an absence to be marked as “excused” a note must be turned in within three (3) days of returning to school after the absence. A list of ACSS acceptable excuses can be found in the ACPS handbook. Once a student’s unexcused absences reach three (3) and five (5) days parents will be notified with a letter. The BOE will begin monitoring unexcused absences at ten (10) days.

For complete attendance policy information please see the current student handbook.
